## Chapter 1 by Story Wars

WARNING: before you read this story I want you to know that it does have some parts that can make some people feel uncomfortable.

Melissa: Me and Alberto had barely started dating. I was in love with him as much as he was in love with me. Sure we would have our moments when we can be mad at each other but we were so into each other that we couldn't help it.

Jesus: I am one of Alberto's friend and well I'm in his gang. He is our gang leader so obviously I am his friend. I remember when Melissa had a crush on me, in fact Alberto was the one that told me. First I said she was cute then I called her ugly. I don't know why but I just wanted to mess with her feelings, I'm so messed up. Ever since she got with Alberto I ended up liking her. It was weird maybe because Alberto had her and I just had feeling for her. I'm not going to lie they are a good couple. Alberto was buff and tall with long greasy black hair and brown eyes. I can see why Melissa ended up with him. Melissa was skinny. She was skinny but had a big ass for a skinny girl. She had long wavy brown hair, mixed with red strands of hair too, dark brown eyes and the deepest dimples I've ever seen.

Walter: Hanging out with Alberto wasn't easy when Melissa came around. If we looked at her for more than 10 seconds or asked her a question she would stare at you the entire day. I kinda feel bad for

Melissa. Why? Because one time at lunch she asked if she could go eat lunch with her friends. Its bad enough she already had to ask Alberto if she could do things. She was sitting on his lap and he pushed her off he told fine go with your dumbass friends, you would rather be with them then with me. She just got up and left. That wasn't the only time he did that. She asked the same thing again a week later and when she was walking to leave he grabbed her by the hair and told her to come back when she was finished leaving.

Enrique: Me and Jesus are closer to each other than anyone else in the gang. Wherever he goes I go and wherever I go he goes. I never really talked to Melissa the only words I ever said to her was hi and bye. I wonder why she choose Alberto sure he has his good looks and charms but if I were a pretty girl like her I wouldn't go out with him. I would be frightened if I ever did. He had sex already with three girls 2 of them were from Mexico I still remember that day. My mom and his mom knew each other just to bring that up. So one day they decided to go to Mexico and it was just me and Alberto and well our moms. On the night of that day they let us go out at night since Alberto asked if we could but I was scared to go out at night in Mexico I mean who wouldn't you could get lost and the bam your stuck in that state forever. I tried to keep calm because I thought we were probably gonna smoke some weed or something but then he said that he was gonna tried to get laid. He found this 19 year old girl and he went to her house and well I went with them. I was disgusted from hearing the girl moan and everything I can still hear them in my head when I think about her saying, "Oh yes,yes,oh" and him softly whispering in her ear out of breath,"You like that huh" After I heard that I went outside but then went back in because I saw these two big dogs coming. I couldn't go home because I didn't know where we where.

Walter: Every Morning before first period Melissa would go on the side of Alberto and play with the laces of his black sweater. He would hold on tightly to her waist and we would just talk to him like if she wasn't there. One time Melissa came to school with a big scratch on the side of her face . When Jesus asked what happened Alberto answer saying that she fell and got cut with a rock. Since I sat across Melissa for fourth period I asked her what happened to her again she said,"ask Alberto he seems to know what happened." "I just stared at her, "Come on tell me."

Me and Alberto were arguing and I went to walk home and he pushed me off the sidewalk "Oh"

Alberto: I loved Melissa I never wanted her to leave my side or talk to anyone or anything. I wanted her from myself. I never wanted her to leave my side or talk to anyone or anything. I

wanted to have sex with her the first day we got together. Here big ass turns me on I could imagine us even doing it. Just her braless and with no underwear. Me naked as well. Me and her on the bed and i turn her around and slap her ass while she turns around. then I put a condom on and put it in there.

Jesus: I finally had the guts to ask Melissa Vallejo why she hasn't broken up with Alberto and guess what she said, "I would tell you but I don't have enough trust in you". I got sad. But then why should I be sad when shes the one with him not only that but shes only 13 years old and Alberto is 15. Yup were middle schoolers going into highschool. Maybe she was just to scared to do it? But how can I help her? How can we all help her?
